A review of all open orders as well as any products you have purchased from Dexter Magnetic Materials Division in the past has revealed that no Material Safety Data Sheets are required. All of the items in question are considered Articles under OSHA's Code of Federal Regulations (1910.1200(b)6(iv) and 1910.1200(c) Articles i,ii,and iii and therefore are not subject to the above regulations. Please feel free to call me personally if you have any additional questions.

Thank you
