Eye/face protection	Safety goggles or glasses.		
Skin protection			
Hand protection	Rubber gloves. Confirm with a reputable supplier first.		
Other	As required by employer code. Wear suitable protective clothing.		
Respiratory protection	Not normally required if good ventilation is maintained. Where exposure guideline levels may be exceeded, use an approved NIOSH respirator.		
Thermal hazards	Not applicable.		
General hygiene considerations	Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing and protective equipment to remove contaminants.
